

MEXTO Announces Start of Construction and Pre-Sale Success of Castilho 3

Renowned architect José Baganha, celebrated for contemporary designs inspired by tradition and history, has brought his visionary approach to Castilho 3. Complementing his work, acclaimed interior architect Francisco Torres.

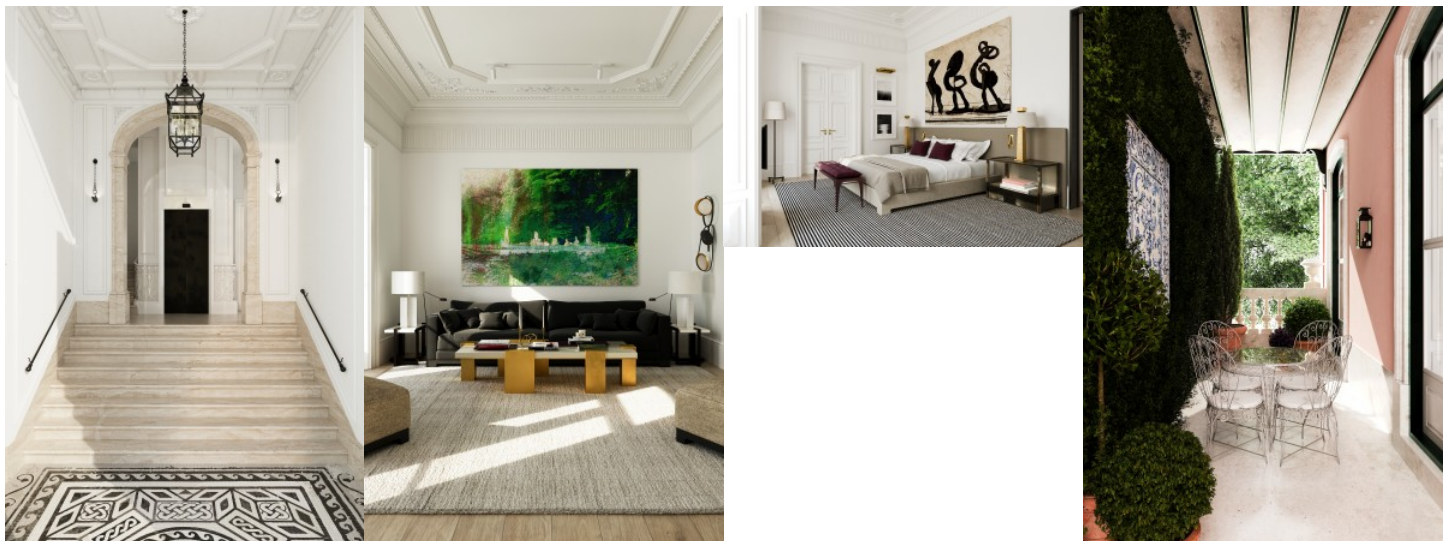

Lisbon, Lisboa e Vale do Tejo Jan 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - [MEXTO](#) a leader in luxury real estate development, is proud to announce the beginning of construction for [Castilho 3](#), a landmark project already building a reputation as a symbol of exclusivity and elegance in the heart of Lisbon. As construction begins, MEXTO celebrates the remarkable success of its pre-sale phase, reflecting the exceptional appeal of these prestigious residences.

Castilho 3 is located on Rua Castilho, a prestigious address that epitomizes sophistication and refined urban living. Situated near Rua do Salitre and Avenida da Liberdade—Lisbon’s iconic boulevard known for its luxury boutiques, historic charm, and vibrant cultural scene—this exclusive enclave offers a seamless blend of tranquility and urban convenience. Residents will enjoy proximity to some of Lisbon’s finest restaurants, high-end shopping, and cultural landmarks, while also benefiting from the privacy and elegance that define this neighborhood.

Every detail of the project has been meticulously crafted to preserve the architectural authenticity of Lisbon while elevating it with modern sophistication. Renowned architect [José Baganha](#), celebrated for contemporary designs inspired by tradition and history, has brought his visionary approach to Castilho 3. Complementing his work, acclaimed interior architect [Francisco Torres](#) has imbued the residences with an unparalleled sense of warmth, elegance, and timeless style. Together, their combined expertise ensures a living experience unlike any other—a harmonious blend of tradition and innovation.

“Castilho 3 has already set a new standard for exclusivity and refinement in Lisbon,” said Miguel Cabrita, member of MEXTO’s Investment Board. “The enthusiastic market response underscores its status as the most desired address in the city. We are proud to deliver a project that not only honors Lisbon’s rich architectural legacy but also represents the pinnacle of contemporary luxury. This is a home for those who appreciate the finest things in life, set within a location that is simply unparalleled.”

Construction of Castilho 3 began in December and is now underway, with completion scheduled for late 2026. The remaining residences represent an unmatched opportunity to own a piece of Lisbon’s most exclusive address.
