

Natalya Soloveychik, DO: An Expert Neuroradiologist at Capital Health

Enhancing Patient Care in Trenton, NJ

New York City, New York Jan 16, 2025 ([IssueWire.com](http://www.IssueWire.com)) - A skilled neuroradiologist, Dr. Soloveychik is an integral part of the team at Capital Health in Trenton, New Jersey. With her extensive training and dedication to patient care, Dr. Soloveychik continues to enhance the quality of medical imaging services available to our community.

Educated in the United States, she is a graduate of the Lake Erie College of Osteopathic Medicine in Erie, Pennsylvania, where she earned her Doctor of Osteopathic Medicine degree. Following her graduation, she completed a rigorous residency in diagnostic radiology at the University of Pittsburgh Medical Center/UPMC Mercy. Her commitment to specialization led her to pursue fellowship training in neuroradiology at the esteemed University of Maryland Medical Center, Department of Radiology in Baltimore, Maryland. Dr. Soloveychik obtained the Certificate of Added Qualification (CAQ) in Neuroradiology in May 2016.

As a board-certified radiologist, Dr. Soloveychik brings a wealth of knowledge and experience to Capital Health. Her proficiency in interpreting complex neuroimaging studies plays a critical role in diagnosing and managing various neurological conditions, including stroke, tumors, and degenerative diseases. Her contributions are vital to the multidisciplinary teams at Capital Health, where she collaborates closely with neurologists, neurosurgeons, and other healthcare professionals to ensure that patients receive comprehensive and coordinated care.

Fluent in both Ukrainian and Russian, she is committed to providing high-quality care to a diverse patient population. Her ability to communicate effectively with patients from various linguistic backgrounds allows her to connect on a personal level, ensuring that patients feel understood and supported during their medical journey.
