Nashville recording artist Robert Hunter was on the verge of a breakout in 2018 when his wife and favorite muse, Becky, was diagnosed with breast cancer at the age of 28. Her courage and positivity inspired a book, an album, and a nationwide tour. Robert and his guitarist, Slayder Smet, performed an acoustic set at 600 bars, coffee shops, and bookstores while Becky served as “Guest of Honor” at each show. The couple sold their belongings and set out on tour to see the country together. As the tour progresses, their unwavering love and resilience are put to the test as they learn to balance Robert’s desperate pursuit of stardom and Becky’s health struggles, which could ultimately end their marriage and his career.

Filmed on-location in Mississippi, Alabama, and Pennsylvania, the 10-episode series was produced by RKP Productions and directed by David McAbee, an award-winning filmmaker whose credits span The Food Network, HGTV, The Travel Channel, and Fox Sports. The all-star production team also included filmmakers from some of the most popular shows on television, including *Sesame Street*, *The Amazing Race*, *Jersey Shore*, *Keeping up with the Kardashians*, *HGTV Design Star*, *Shark Tank*, *House Hunters*, and *Cupcake Wars*.

“With FAME/LESS, I wanted to take viewers inside the tour bus to see the hard road a musician has to travel to make a living doing something they love,” said Richard Parker, Creator and Producer of FAME/LESS. “I’m even more excited and grateful to show it to a global audience on Red Coral Universe.”

Watch the 2-part Season Premiere of FAME/LESS, available now with new episodes streaming every Monday on Red Coral Universe. The free-to-use, subscription-based, OTT platform is available worldwide on Roku, Fire Stick, Apple TV+, Samsung TV Plus, Google TV, Hisense, and Vizio, or watch online.
