Sync Made Easy Wins Prestigious "Best for Startups 2025" Award by Software Suggest

Richmond Hill, Ontario Jan 21, 2025 (Issuewire.com**)** - **HIC Global Solutions** is proud to announce that its flagship product, Sync Made Easy**,** has been awarded the coveted title of **"Best for Startups 2025"** by Software Suggest, a leading platform for software reviews and recommendations. This accolade recognizes the app's exceptional contribution to empowering startups with seamless integration solutions and operational efficiency.

Empowering Startups Through Seamless Integration

Sync Made Easy has revolutionized the way businesses integrate their Shopify stores with Salesforce by offering a feature-rich platform that simplifies data management and enhances productivity.

Its standout features, such as two-way synchronization, real-time sync, Google Analytics integration, and multistore management, have made it an indispensable tool for growing businesses.

What Makes Sync Made Easy the Best for Startups?

Startups thrive on agility and scalability, and Sync Made Easy delivers on both fronts. With key features like Shopify refund management, batch sync capabilities, and intuitive dashboards for customer and order analytics, the app ensures businesses can streamline operations while focusing on growth.

Its multicurrency support and tax and shipping line synchronization enable startups to expand their global reach effortlessly.

Acknowledgement from Industry Leaders

Receiving the **"Best for Startups 2025"** award is a testament to Sync Made Easy's commitment to innovation and customer-centric design.

Ankit Dudhwewala, **Founder of Software Suggest**, stated, "Sync Made Easy has set a benchmark for excellence in the integration space. It's not just a tool; it's a growth enabler for startups looking to scale efficiently."

On the other hand, expressing gratitude for the recognition, **Mr Piyush Singhal, CEO of HIC Global Solutions**, said, "This award reflects our dedication to empowering startups with technology that simplifies complex operations. Sync Made Easy was designed to address real-world challenges, and this recognition reaffirms our vision of driving success for emerging businesses."

About Sync Made Easy

Sync Made Easy is an advanced Salesforce Integration app that syncs data in real-time between Shopify and Salesforce CRM. It manages multiple Shopify Stores in one place and helps businesses sell faster by integrating their sales, marketing, and other data processes.

The app is compatible with B2B and B2C commerce, offering businesses a comprehensive solution for data synchronization, process automation, and enhanced analytics. Trusted by startups and enterprises alike, the app delivers unparalleled ease of use and reliability.
