

Tonya Buchanan, RN, MSN, PMHNP-BC: Transforming Lives as a Leading Psychiatric Nurse Practitioner in Tennessee

A Pioneer in Pediatric Psychiatric Care

New York City, New York Jan 29, 2025 ([Issuewire.com](https://www.issuewire.com)) - East Tennessee Children's Hospital is proud to recognize Tonya Buchanan, a dedicated and skilled Psychiatric Nurse Practitioner, whose commitment to transforming the lives of her young patients is making a significant impact in the Knoxville community. With her extensive education and training, Tonya Buchanan is not only a leader in her field but also a beacon of hope for families seeking mental health support for their children.

Tonya's journey in healthcare began in 1998 when she became a Licensed Practical Nurse at Blount Memorial Hospital. Her genuine passion for nursing propelled her to further her education, leading her to earn a Bachelor of Science in Nursing (BSN) from South College in 2016. Most recently, she completed her Master of Science in Nursing (MSN) with a specialization as a Psychiatric Mental Health Nurse Practitioner (PMHNP) at King University in 2022. This rigorous academic background, combined with her hands-on experience, has equipped Tonya with the skills necessary to provide exceptional mental health care to children and adolescents.

At East Tennessee Children's Hospital, Tonya Buchanan is renowned for her patient-centered approach. She prioritizes communication, safety, and trust, ensuring that her patients feel valued and understood. Her ability to connect with young patients and their families is a testament to her dedication and expertise, allowing her to create tailored treatment plans that address individual needs. Tonya's compassionate care not only enhances the quality of life for her patients but also empowers families to navigate the complexities of mental health challenges.

As a leader in her specialty, Tonya is deeply committed to advancing pediatric mental health care in the region. She actively participates in community outreach and education, raising awareness about the importance of mental health and advocating for the resources needed to support children and their families. Her efforts are vital in breaking down the stigma surrounding mental health issues and fostering a supportive environment for those in need.

Tonya Buchanan's unwavering commitment to her patients and her field exemplifies the highest standards of nursing practice. As she continues to make strides in the mental health community, she remains a true asset to East Tennessee Children's Hospital and the families she serves.
