

DEN BAURIN's "FreeLove": Eurovision 2025 audition song already on radio worldwide!

Budapest, Hungary Feb 26, 2025 ([IssueWire.com](https://www.issuewire.com)) - DEN BAURIN, continues to conquer the global stage with his single "FreeLove." This track, filled with modern synth-pop sound and heartfelt lyrics, has already won recognition from international music experts and listeners. In January 2025, "FreeLove" was selected for the audition by the jury of the national selection for Eurovision in San Marino, receiving high praise from the judges. The song is already airing on numerous radio stations across the world.

Since its release, "FreeLove" has been rapidly gaining popularity and is now airing on numerous radio stations around the world. The song has already conquered Italy, Germany, the UK, and Australia, secured airplay in the USA, Canada, and Brazil, and is actively rotating in Indonesia, Malaysia, and the Caribbean. Such widespread recognition makes "FreeLove" a true international hit, uniting listeners with its energy, melody, and inspiring message.

DEN BAURIN is known for his unique style, blending elements of synth-pop, retrowave, and contemporary electronic music. Inspired by artists like Duran Duran and Depeche Mode, he creates atmospheric and emotional tracks that resonate with audiences worldwide. "FreeLove" is an anthem of emotional freedom, sincerity, and unconditional love, reaching listeners beyond language and borders.

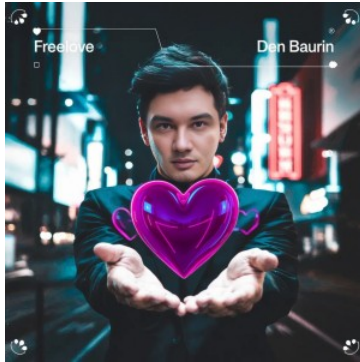

Join thousands of listeners worldwide and discover "FreeLove"—a song that has already become one of the musical highlights of the year. Listen to the track on all streaming platforms and follow DEN BAURIN on social media for update.
