

Global Women Leaders Converge in Manila for Groundbreaking Empowerment Summit

Singapore, Singapore Feb 7, 2025 (IssueWire.com) - Prodigy Global and Titanium Magazine's "Top 50 Global Inspirational Women to Look Out For in 2025" summit concluded with unprecedented success, bringing together 50 distinguished female leaders from across the globe on January 24-25, 2025. The two-day event, hosted in Manila's premier business district, showcased transformative stories of resilience and leadership while establishing concrete frameworks for ongoing women's empowerment initiatives.

"The summit transcended traditional networking to create a powerful ecosystem of support and opportunity," noted **Jaslyin Qiyu, Managing Director, of Mad About Marketing Consulting who herself was Awarded one of the Top 50 Global Inspirational Women to Look Out for in 2025.** "What we witnessed was more than inspiration – it was the formation of tangible pathways for women's advancement across sectors."

Founded by Love Charmaine Choyoco, a Dubai-based Filipino entrepreneur, the annual summit has evolved into a pivotal platform for advancing women's leadership in the global business landscape. This year's gathering focused on translating personal triumph into actionable empowerment strategies, with participants sharing experiences ranging from corporate leadership to social impact entrepreneurship.

The summit highlighted several groundbreaking initiatives, including a pioneering digital and data literacy program for women inmates in the Philippines, demonstrating the practical application of empowerment principles in challenging contexts.

Mad About Marketing Consulting will continue to support The Prodigy Global and IAM Titanium Foundation's initiatives through their global network of resources and shared expertise.
