

No Fluff, No Filters, No Patience: The Krotchett Podcast Arrives

Five Episodes In, This No-BS Satire Podcast Has Zero Interest in Playing Nice

Bellingham, Washington Feb 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - If you're looking for sanitized political satire or social media hot takes, keep scrolling. *The Krotchett Podcast* doesn't do fluff, doesn't chase clicks, and definitely doesn't care about your feelings.

Hosted by Krotchett, a seasoned skeptic with a razor-sharp tongue and no patience for nonsense, this

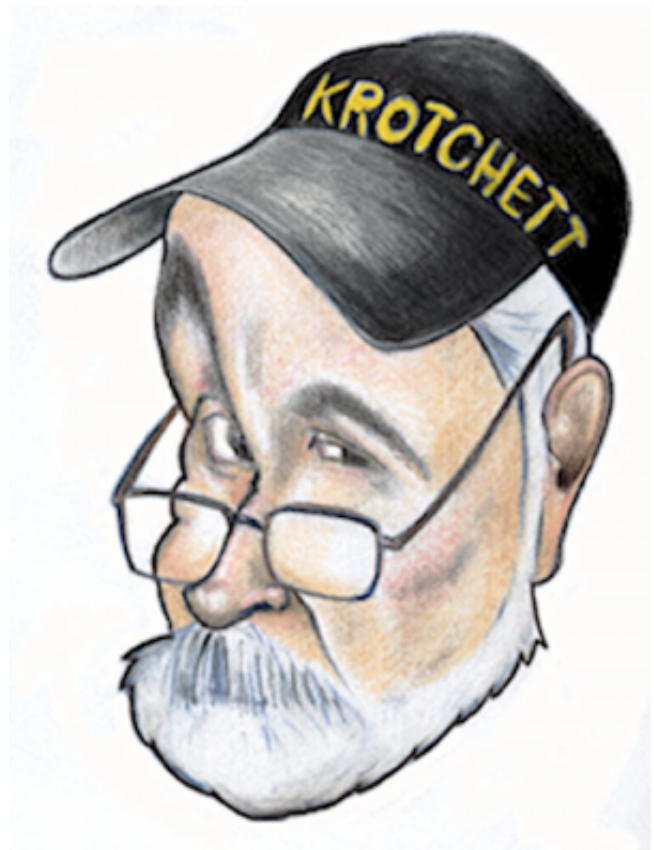

podcast dissects the news, history, and culture with biting humor and a heavy dose of “I told you so.” Five episodes in, it’s already proving that smart, cynical satire still has a place in a world drowning in performative outrage.

Entertaining, incisive, and merciless—Krotchett’s segments eviscerate the opposition. *Next Week’s News* is more than just the burnt remains of this week’s chaos, and history keeps proving it. *Rinse and Repeat* digs up past blunders that look disturbingly like today’s blunders, while the *Krotchett Rant* delivers an unfiltered, no-mercy takedown of the latest absurdity. And what does Krotchett have to say about it? “After all, you’re entitled to my opinion!”

Krotchett doesn’t do social media. He doesn’t want your likes, follows, or validation. He just wants people to think—and maybe laugh at the mess we’re all in.

The Krotchett Podcast is available on Spotify, Apple Podcasts, Deezer, Pandora and many more podcast outlets.
