Seasoned Realtor Brings Over 30 Years of Experience to Delaware Beach Real Estate

New York City, New York Feb 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Monument Sotheby's International Realty - Coastal Division is proud to have Stephen Castiglione on board its team of real estate professionals, specializing in real estate sales and investments throughout Delaware, particularly in the picturesque Delaware beaches. With a robust background spanning over three decades in home improvement, disaster restoration, and landscape design, Stephen offers unparalleled service to clients navigating the complexities of the real estate market.

Born and raised in Wilmington, Delaware, Stephen's journey in the real estate industry began in his family's home improvement business, where he honed his skills as a Journeyman Carpenter after completing a rigorous four-year apprenticeship. In 2003, he expanded the family's scope into disaster restoration, acquiring certifications in structural repairs, mitigation, and home renovations. His leadership and expertise in estimating and sales propelled his team's success, laying a strong foundation for his future endeavors.

In 2011, Stephen and his wife, Josette, made the decision to relocate to the Delaware beaches, where he continued his career in disaster restoration before transitioning to high-end landscape and design projects until 2017. This diverse experience equips Stephen with a unique perspective on homeownership, making him an invaluable resource for clients looking to buy or sell properties in the area.

In 2022, Stephen and Josette united their talents as real estate professionals, combining their expertise to enhance the home-buying and selling experience for their clients. Josette, an established realtor at Monument Sotheby's, complements Stephen's extensive knowledge, ensuring clients receive comprehensive support throughout their real estate journey.

Stephen's unwavering determination, passion for homes, and profound understanding of the local market position him as a trusted advisor for clients making one of life's most significant decisions. His commitment to excellence and personalized service ensures that each client feels supported and informed every step of the way.

Outside of real estate, Stephen enjoys waterfowl hunting with his dog, Jetty, and son, Brett. He cherishes summer days spent boating or relaxing on the beach with family and friends, embracing the vibrant lifestyle that Delaware's coast has to offer.
