

Belinda Song 'Set Me Free' Top 40 Multi-Awards Hit Song about 'Escaping from a Toxic Ex.'

The multi-award winner, singer-songwriter, and music producer Belinda Song released another chart topping single entitled 'Set Me Free' about escaping from toxic relationship.

Records at a young age. Currently, she is releasing music with Epic Sonic Music, an international record label, and has been delivering high quality production to her fans consistently over the years. Her latest release '[Set Me Free](#)' debuted on multiple music charts on Jan 28th, 2025, and climbed to #68 on New Music Weekly Hot 100 Chart, #71 on Mediabase Activator Chart/Billboard Database, #17 on the Top 40 Indie Music Chart, and #21 on the New Music Weekly Top 40 Chart.

[Belinda Song](#)'s latest composition delves into the emotional journey of liberating oneself from toxic relationship. The song captures the profound relief and empowerment that comes with ending such a detrimental connection. Through heartfelt lyrics and evocative melodies, the artist hopes to inspire self-love, self-worth and perseverance of inner peace. In essence, this composition is a testimony of self-empowerment, finding strength and courage to break free from unhealthy relationships. It serves as a reminder that true freedom and self-discovery often emerge from the determination to walk away from destructive toxicity and to embrace new beginnings.

On the music production side, credit for '[Set Me Free](#)' goes to her production team members who have worked with iconic artists like Katy Perry, Justin Bieber, The Weeknd, Post Malone, Lady Gaga, and others. The recording studio uses the latest technology in sound recording, including the Sony C800G microphone, delivering crystal clear top-tier sound quality.

'[Set Me Free: The Short Film](#)' utilizes multiple layers of 3D technologies and special Fx effects that are similar as the technology used to produce the Marvel movie 'Eternals' and 'Final Fantasy: The Movie,' resulting in an 'Unreal' environment that merges reality with fantasy.

As of Feb 28th, 2025, '[Set Me Free](#)' has received **multiple nominations** by ISSA Awards, in categories of USA Female 'Vocalist of the Year,' 'Single of the Year,' 'Songwriter of the Year' and 'Music Video of the Year.' Belinda Song is also an Official Nominee of the 'ELITE MUSIC AWARDS' in the category 'Single of the Year,' as well as the 'iCON AWARD 2025' by InterContinental Music Awards in the category of 'Best of America: POP original composition.'
