

Scheduling Solutions Announces Strategic Partnership with Scott Sheldon

This collaboration aims to revolutionize the scheduling solutions landscape by combining the strengths of both companies to deliver unparalleled value to customers worldwide.

Lakewood Ranch, Florida Mar 6, 2025 ([IssueWire.com](https://www.issuewire.com)) - Delivering Comprehensive Scheduling and Planning Solutions

Scheduling Solutions is a recognized leader in advanced planning and scheduling, with decades of hands-on experience implementing both PlanetTogether and Siemens Opcenter solutions.

Over the years, the company has built a strong reputation for helping manufacturers and supply chain organizations optimize their production processes, reduce lead times, and improve overall operational efficiency. By combining deep industry expertise with state-of-the-art APS technology, Scheduling Solutions delivers tailored implementations that address each client's unique challenges and strategic goals.

The partnership between Scheduling Solutions and Scott Sheldon is set to leverage the extensive expertise and innovative technologies of both companies. Scheduling Solutions is renowned for its state-of-the-art Advanced Planning and Scheduling solutions, which have been instrumental in optimizing operations and enhancing productivity for businesses across various manufacturing verticals. With over a decade of experience working with PlanetTogether, Scheduling Solutions has established itself as a trusted partner for companies seeking to streamline their scheduling processes.

This partnership will provide businesses with an integrated approach to supply chain planning and scheduling, ensuring seamless coordination between production schedules and broader supply chain strategies.

Enhancing Supply Chain Efficiency Through Collaboration

Gary Schaum, Managing Partner of Scheduling Solutions, expressed his excitement about the partnership: "We are delighted to join forces with Scott Sheldon. This partnership represents a significant step forward in our mission to provide innovative and effective scheduling and supply chain solutions to our clients."

Dan Hahn, CEO of Scheduling Solutions, champions a best-of-breed approach to managing the many facets of the supply chain. By partnering with companies like Scott Sheldon, which provides the same senior-level expertise on the supply chain side, Scheduling Solutions can deliver comprehensive support across advanced planning, scheduling, and manufacturing execution. This collaborative model ensures customers benefit from top-tier capabilities in every area, resulting in a truly win-win partnership.

A Shared Commitment to Innovation and Excellence

Both Scott Sheldon and Scheduling Solutions share a commitment to delivering innovative solutions that empower businesses to stay ahead in an increasingly complex supply chain landscape. This partnership enables companies to leverage best-in-class planning and scheduling technologies, ensuring they remain competitive and responsive to market demands.

About Scheduling Solutions

Scheduling Solutions is a global provider of Planning, Scheduling and Data Collection solutions with resources in Florida, Connecticut, Texas, South Carolina, Utah. Our resources combined have over 180 years of experience delivering quality Advanced Planning and Scheduling (APS) solutions, and we have been working closely with various APS and MES providers since 2001. Scheduling Solutions is currently a PlanetTogether Platinum Solution Provider. We have over 20 years combined working with PlanetTogether Software.

At Scheduling Solutions, we have built our success and reputation on the ability to form close partnerships with each of our customers. Understanding the role each company plays is the key to building the mutual trust that is needed to create and implement innovative solutions. These solutions typically enable our customers to react faster and smarter to change than their competition.
